WASHINGTON, D.C. 20510

May 2, 1983

The Honorable William Casey  
Director  
Central Intelligence Agency  
Washington, D. C. 20505

Dear Bill:

The more I think about it and the more people I talk to across this country, the more I think you should resume the publication of your annual economic report. I know this is a burden to you and I know you have your doubts. However, I know that it wasn't done by you but, by your predecessor. I do think it is a most desirable document and I would urge you to reinstitute its publication. If you care to talk about this, I am ready. If you will go ahead and do it, I'm ready to receive my first copy.

Sincerely,

*Barry*
